

# NEURO-OTOLOGY SOCIETY of AUSTRALIA

26<sup>th</sup> Annual Clinical and Scientific Meeting

23<sup>rd</sup>-25<sup>th</sup> September 2016.

(Training Day: 25<sup>th</sup> September)

Advanced Technology Centre,

The University of Newcastle

Dear Colleague,

The 26<sup>th</sup> annual meeting of the Neuro-Otology Society of Australia will be held on 23<sup>rd</sup> and 24<sup>th</sup> September, and Clinical Training Day on 25<sup>th</sup> September 2016, at The University of Newcastle, Australia.

Our plenary speakers this year will be Professors Timothy Hullar (OHSU) and Michael Schubert (Johns Hopkins University).

Professor Hullar is from the Department of Otolaryngology- Head and Neck Surgery, Oregon Health Sciences University, Portland, OR, USA. Professor Hullar's clinical interests focus on care of otologic and neurotologic disorders in children and adults including hearing loss and imbalance. His research investigates mechanisms of imbalance in the elderly, techniques of cochlear implantation, coding of vestibular-nerve signals, and hearing and balance in marine mammals.

Professor Schubert is from Department of Otolaryngology- Head and Neck Surgery, Johns Hopkins University, Baltimore, USA. Professor Schubert's research focuses on examining the oculomotor mechanisms responsible for both behavioral outcomes and physiological changes associated with vestibular rehabilitation.

There will be the usual interesting clinical case discussions, as well as some didactic presentations on topics of interest. The meeting is always friendly and informal and will be of major interest to otologists, neurologists, audiologists, physiotherapists, scientists, as well as ENT and neurology trainees.

The meeting will begin on Friday morning (23<sup>rd</sup> September) and conclude on Saturday afternoon (24<sup>th</sup> September). A training day will be held on Sunday (25<sup>th</sup> September). A conference dinner has been organized on Saturday evening on the Newcastle Foreshore at Paymasters Cafe.

Please forward **abstracts** to [Rebecca.Lim@newcastle.edu.au](mailto:Rebecca.Lim@newcastle.edu.au) by August 30<sup>th</sup> 2016.

**Registration and payments** to be made to Dr John Waterston.

See details on registration form below.
